

Bard Health Insurance for International Students

Important note:

International students at Bard have the option of waiving Bard's student health insurance plan and purchasing health insurance from **one of three different commercial providers**. While these other insurance plans are acceptable, we must advise you that the coverage these commercial plans offer does not compare favorably with Bard's. At the bottom of the page you will find a sample (and only a sample) of specific coverage differences between Bard's plan and one popular commercial provider (ISO Compass). The commercial companies certainly offer initial savings, but those savings can rapidly disappear if you experience serious health problems, have an accident, or need emergency room treatment. Please be careful and thoughtful in making the choice between Bard's plan and commercial insurance.

	BARD HEALTH INSURANCE PLAN	ALTERNATIVE PLANS		
		CISI	ISO Compass Gold \$250,000	ISO Compass Silver \$150,000
